ఈనాడు తేదీ 16వ ఆగస్టు 1992.

TO WHOMSOEVER IT MAY CONCERN

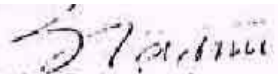

This is to certify that 2 contracts for supply of Machine Crushed Ballast on Bolarum – Secunderabad – Mehaboobnagar Gauge conversion Sections were awarded to M/s. Sri Srinivasa & Co., Hyderabad at a total value of Rs. 2.12 Crores. This Firm is executing the work very satisfactorily and the supplies made are ahead of the prescribed schedule quantities.

Shri. P. Vengala Rao the Managing Partner of M/s. Sri Srinivasa & Co, Hyderabad, is found to be very competent and efficient and capable in mobilizing Men and Machinery for commencement of works in short time and speedy execution of works thereof.

They have established Mechanical Crusher Units, which enable production of ballast of good quality. The machinery employed by them includes:

- 1) Two Giant Crushers erected in the Hyderabad City area at their own Quarries.
- 2) 6 Mechanized Dumper Placers, which carries Spalls from quarries to crushing plants.
- 3) Automatic loading bunkers for the two giant plants.
- 4) Electrical compressor with 15 KM G.I. pipeline to the two quarries.
- 5) 20 Ashok Leyland and Tata make Tippers. They are capable of supplying ballast in huge quantities.

The Firm is found to be financially sound and also having good control over the labor.
