### **TO WHOMSOEVER IT MAY CONCERN**

This is to certify that M/s. Sri Srinivasa & Co., Hyderabad has been awarded a contract for supply of 40,000 cum. Of ballast between Ambodala -Bissamcuttack on Raipur-Viianagaram doubling during October 1991. They have obtained quarry lease, power connection also erected giant crusher in short time and started the supply of ballast in 1992 and completed a total quantity of about 35,000 cum. Within a period of one year. The value of the ballast supplied is about Rs. 1.5 crores.

M/s. Sri Sinivasa & Co. Hyderabad have provided their own roads for transporting the ballast in difficult terrains and worked under most difficult living conditions. They have taken all pains for obtaining the quarry lease and power connection from the Orissa Government. They have also taken all necessary steps to tackle the local problem satisfactorily and made arrangements to start supply of ballast.

Shri P. Vengala Rao the Managing Partner of M/s. Sri Srinivasa & Co., Hyderabad is found to be very competent, efficient and capable in mobilizing men and machinery for commencement of works in short time and speedy execution of works thereof.

They are having 3 nos. of crushers, 6 nos. of Mechanical dumpers, which carries spalls from quarries to crushing plants. Automatic loading bunkers, electrical compressors and 20 nos. of Ashok Leyland and Tata make tippers. It is no doubt to mention that they are having the latest modern equipments in executing the ballast works and they are capable of supply of ballast in huge quantities within the targets given.

I wish him all success.
